NOTICE

The Institute has decided to introduce a Learning Management System giving opportunities to the learners register online and learn the issues associated with the Panchayats & Rural Development programmes at their own spaces. An appropriate platform to host the Learning Management System content has already been obtained from the National e-Governance Division, Ministry of Electronics & Information Technology, Government of India. Members of the internal faculty of the institute are in the process of developing course materials for uploading on the Learning Management System portal. The institute is also preparing different audio-visual contents for use by the learners through the Learning Management System. However, for synchronizing the content, uploading the content in a modular form and monitoring of registration, progress of learning, evaluation of the learners, certification etc. it has been felt necessary to have the support of a competent IT professional with domain knowledge in the sphere of panchayats and different flagship programmes of rural development.

Accordingly, applications are invited from interested professionals to take up the assignment, initially for a period of 3 (three) months. The applicant should have the following qualifications:

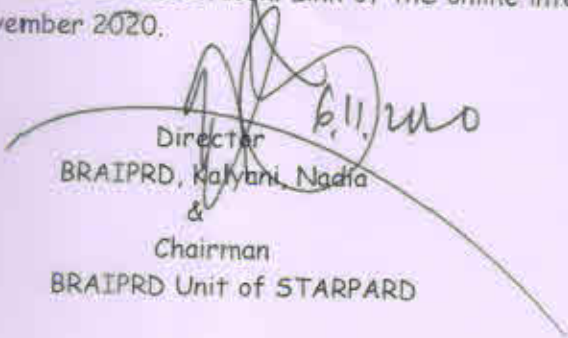

- 1) Bachelor of Engineering in Computer or Masters in Computer Applications or Hons. Degree (BSc.) in computer;
- 2) A minimum of 5 (five) years' experience in application of IT in the field of panchayats and rural development;

There is no age bar for the applicant except she/he should not cross the age of superannuation (60 years).

This assignment will be treated as a Retainer assignment during which she/he will have to render services to the institute for at least 8 (eight) working days in a month. For each of the days in which the incumbent provides services to the institute she/he will be paid an amount of Rs. 4,000/- paid on a daily basis. In case the selected candidate does not have a post graduate degree, the daily fees will be reduced to Rs.3000/-. If however the actual assignment in a month warrants payment of an amount which is less than Rs. 10,000/-, she/he will be paid a minimum guaranteed amount of Rs. 10,000/- for that month as well.

An application addressed to the Director, BRAIPRD is to be submitted along with necessary papers related educational qualification, date of birth and experience at the following e-mail I.D. along with the application she /he should also send a brief presentation indicating the methodology of putting contents in a Learning Management System portal.

The application must reach the designated mail ID by 23rd November 2020. All applicants will have to appear for online interview on 27th November 2020 at 12.00 Noon. Link of the online interview will be shared with the applicants after 23th November 2020.
